From The Manager Bank of Mysore Ltd
Letter no M. 2020 5th Feby. 42 re ARP measures for safeguarding documents etc.

FEB 14 1942
No 8077

As regards Para 1, no general instructions have been issued by Govt but certain officers have been addressed to make suitable arrangements as to classify records.

Bangalore is not within the protected area and there is no proposal for sand bagging of buildings. The Resy recently intimated that removal of glass even in B II & C factories in the State is not necessary since Bangalore not within the protected area.

There is no proposal before Govt in the matter at present. Perhaps the letter may be sent to the Spl. A R P Officer for a suitable reply to the Manager. Bank's request may be informed accordingly

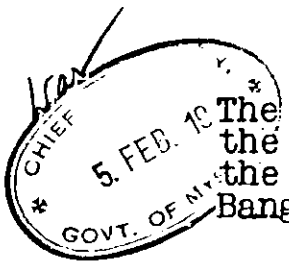
CONFIDENTIAL.



The Chief Secretary to
the Government of His Highness
the Maharaja of Mysore,
Bangalore.

Dear Sir,

In view of the war situation, I should be glad if you would kindly inform me whether Government is taking Air Raid Precautions for the safeguarding of important records, and if so, what steps it is proposed to take to keep such records up to date.

Does Government contemplate the sand bagging of Buildings in Bangalore City or the treatment of glass windows in any way against blast?

Is it proposed to furnish Government Officers with buckets of water and buckets of sand, and if so on what basis?

Yours faithfully,

MANAGER.
